

Please note that these are initial squads only.

The club will use Summer season to further refine the squads and teams. It is not uncommon for players to rotate between squads/teams during Summer season, and even in the Winter season, depending on form/development, team positional needs, and players arriving or departing.

The gradings (which teams are placed in each Division by Basketball SA) have not yet been released, so some teams may end up in a higher or lower division than that initially indicated here.

Summer season games will start the week commencing Monday 15 October. U16 Division 1 & Division 2 games are held on Friday evenings; all other U16 games are usually on Thursday night. The Summer season has nine weeks before Christmas and then four weeks in February (a 13-week season).

Please contact the Head Coach of each age group initially if you have any questions.

Please note: 2018/19 Summer Season Fees for Bearcats District players will be payable by mid-November (payment options will be on club website after the October long weekend). Players who have not paid their fees for previous seasons or made an arrangement with the club will not be allowed to represent the club in Summer season until payment or arrangements are made.
